

## TRAILHEADS

### FOUR PEAKS WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

**Lone Pine Saddle** - Drive north from Mesa on State Highway 87. Approximately 11.5 miles north of the Verde River Bridge (and just past the Desert Vista Rest Stop) turn right (east) onto Four Peaks Road 143. Follow Road 143 for 18.8 miles to the El Oso Divide. At this point, take a sharp right turn (south) onto Road 648. Continue 1.3 miles to the trailhead. There is an upper and lower parking lot here. High-clearance vehicles are recommended; this road is generally unsuitable for horses-trailers. Trails accessed: **Four Peaks Trail 130, Pigeon Trail 133, and Brown's Trail 134.**

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
